The 8th Annual Neuroscience Conference Series
CONTEMPORARY TREATMENTS IN HEADACHE AND NECK PAIN

Saturday, November 1, 2008

The Atlantic Neuroscience Institute

The Atlantic Neuroscience Institute incorporates the broad range of neuroscience services of Atlantic Health. Based at Overlook Hospital, the Institute includes adult and pediatric neurologists and neurosurgeons, neuroradiologists and specialists in related fields at Overlook and Morristown Memorial Hospital.

The Institute's two cornerstones are the extraordinary dedication of its personnel and its commitment to providing the best, most advanced technology available. Its mission is to provide advanced, comprehensive, compassionate care for individuals with neurologic disease, to educate patients, the community and medical professionals about these disorders and advance neuroscience knowledge by participating in related research.

The Institute has established a region-wide reputation for excellence in the diagnosis and treatment of:

- ▲ Cerebrovascular disease including stroke and aneurysms
- ▲ Brain tumors
- ▲ Epilepsy
- ▲ Pain and headache
- ▲ Traumatic Brain Injury
- ▲ Nervous system trauma
- ▲ Spinal disorders
- ▲ Degenerative diseases of the nervous system
- ▲ Neuromuscular disease

The Atlantic Neuroscience Institute of Overlook Hospital employs the most advanced technology available for endovascular treatment of stroke, aneurysms and brain vascular malformations; a dedicated Neurointerventional Suite with biplane rotational angiography and a workstation for 3D post processing; the latest neuro-imaging techniques (such as PET-CT, 3Tesla MRI); sophisticated brain tumor management with image-guided neurosurgery, advanced medical management and CyberKnife radiosurgery; inpatient and outpatient epilepsy monitoring and management; and a dedicated neurosciences intensive care unit and inpatient unit, staffed by some of the most highly rated, dedicated neuroscience nurses and professional staff anywhere.

Summit, New Jersey

About the Symposium

This half-day program is designed to provide participants with a detailed overview of current topics in the management of patients with head and neck pain. Topics to be addressed include: general migraine, red flag/atypical headaches, trigeminal neuralgia and neck pain.

Audience

Physicians, including, Family Practice, Internal Medicine, Pain Specialists, Emergency Medicine, Physical Medicine and Rehabilitation, Neurologists, Physician Assistants and Nurse Practitioners

Program Objectives

Upon completion of this program, participants will:

- ▲ Understand the presentation and therapies of migraine headache
- ▲ Know the presentation of and learn current pharmacological and surgical therapies for trigeminal neuralgia
- ▲ Recognize and manage potentially catastrophic headache subtypes
- ▲ Update their knowledge of pharmacological, interventional and surgical therapies for neck pain

Symposium Schedule

7:45 to 8:00am

Registration and
Continental Breakfast

8:00 to 8:05am

Welcome and
Opening Remarks
Seth R. Stoller, MD

8:05 to 9:15am

Atypical/Red Flag
Headache
Seth R. Stoller, MD
Neil B. Horner, MD
Edward J. Zampella, MD

9:15 to 9:50am

Trigeminal Neuralgia
Pathophysiology and
Treatment
Andrew G. Kaufman, MD

Surgical Treatment

Edward J. Zampella, MD

9:50 to 10:00 am

Q & A
Seth R. Stoller, MD

10:00 to 10:10am

Break

10:10 to 11:15am

Migraine –
Clinical Presentation
Seth R. Stoller, MD

Migraine – Therapy
and Pathophysiology
Noah Rosen, MD

11:15am to 12:15pm

Cervical Spine Non-
surgical management
Gerard A. Malanga, MD

Interventional Treatment
Andrew G. Kaufman, MD

Surgical Treatment
John J. Knightly, MD

12:15 to 12:30pm

Q&A, Closing Remarks,
Distribution of Certificates
Seth R. Stoller, MD

Symposium Faculty

Guest Speaker

Noah Rosen, MD
Director, North Shore
Headache Center
Assistant Professor, North
Shore Long Island Jewish

Accreditation

Atlantic Health designates this educational activity for a maximum of 4 AMA PRA Category 1 Credits. Physicians should claim credit commensurate with the extent of their participation in the activity. Atlantic Health is accredited by the Medical Society of New Jersey to provide continuing medical education for physicians.

Application has been made to the American College of Emergency Physicians for ACEP Category 1 Credit.

Registration

The 8th Annual Neuroscience Conference Series
Contemporary Treatments in Headache and
Neck Pain

Saturday, November 1, 2008
7:45am to 12:30pm

Wallace Auditorium
Overlook Hospital
99 Beauvoir Avenue
Summit, NJ 07902

Fee: \$50 General Registration
\$25 Physician assistants, nurse practitioners
and house staff (limited seating)

Registration deadline: October 27, 2008

Online registration:
regonline.com/atlanticneuroscience-pain2008

Major credit cards accepted.

Complimentary parking will be available in the West Garage directly across from the hospital's main entrance. Please bring your parking ticket inside with you for validation.
